

The A. F. of L. Weekly News Service gives a brief summary of important matters of interest occurring in the industrial, legislative and judicial fields, and sends other information of value to the trade union movement.

WHOLE NO. 1063.

WILLIAM GREEN, President

WASHINGTON, D. C., SATURDAY, AUGUST 22, 1931

Green Urges Prompt Action On National Industrial Parley

Washington, Aug. 22.—A national conference of representatives of industry and labor convened by the President of the United States in order to meet the emergency growing out of the unemployment situation.

This is the positive declaration of William Green, president of the American Federation of Labor, on his return to Washington from the two weeks meeting of the Executive Council of the Federation in Atlantic City.

"What we need is immediate action," he declared. "The only way to meet the emergency is to get together and work out a plan of action. We must not wait for the government to act. We must act ourselves. We must not wait for the government to act. We must act ourselves. We must not wait for the government to act. We must act ourselves."

Coal Industry Conference Urged By A. F. of L. Council

The deplorable condition existing in the bituminous coal mining industry was the subject of much thought and discussion at the Executive Council of the American Federation of Labor at its quarterly meeting in Atlantic City.

Reports from all mining sections of the country showed that the situation was becoming more and more desperate. In Pennsylvania, West Virginia, Ohio and Kentucky, the situation was particularly bad. The coal industry was in a state of collapse. The coal fields were being worked out. The coal fields were being worked out. The coal fields were being worked out.

Spring Reasons Make Strong Arguments for Unemployment Insurance

The Federal bill gives the parties to an industrial dispute the right to demand the withdrawal of a Federal judge if the cause is an attack on the character of the law, and not made in open court. Upon filing the demand the judge would go so far in the contempt case.

After labor injunction is granted, violation of it and charges for contempt of court shall be tried by a jury instead of by the judge, except contempt of the judge or contempt of the court by its officers.
